

Consent Form

Dear Parent/Legal Guardian,

Your son/daughter has shown an interest in participating in World Vision's 30 Hour Famine. Participation means that your son/daughter will:

- Sign up 30 Hour Famine sponsors and collect money to help those around the world.
- Miss three main meals by fasting for 30 hours.
- Drink only water, juice and other beverages during those 30 hours.
- Turn in the Famine collection envelope and money raised to his or her Famine leader.

If your son/daughter is not physically capable of fasting for 30 hours, he or she can still participate in a modified fast. Please contact me if you would like to discuss this option. I would like your acknowledgment that you support his or her participation. Thank you.

Founded in 1950, World Vision is a Christian humanitarian organization, serving the world's poorest children and families in nearly 100 countries. World Vision maintains health, education, agriculture, water, sanitation, and small business projects that help millions of people in their communities, helping transform the lives of children and families in need without regard to their religious beliefs, gender, race, or ethnic background.

Fasting is a physical benefit for most people. Exceptions are children under 12 years of age, the elderly, diabetics, those pregnant or nursing, and others who have had recent surgeries or have other specific medical problems. Most youth will have no problems completing the 30 Hour Famine; however, modifications can be made as necessary. If you have any health-related questions about your child's participation in the Famine, please consult your doctor. For more information on fasting, you can request a "Facts on Fasting" sheet from your Famine group leader. You can also obtain this sheet by calling **1-800-7-FAMINE** or finding it at www.30hourfamine.org.
